

Calling all Compounders to Orlando for #APhA2024

This year the meeting is in Orlando March 21-25* and we have some amazing presenters and content related to updates in compounding practice for 2024. Please see the below for agenda, speakers, and details to sign up.

BCSCP Education at APhA2024

APhA Sterile Compounding Recertification Conference (7 hours of recertification credit)

The APhA Health System and Compounding Core Groups are pleased to offer this full day of live education that will provide board certified sterile compounding pharmacists with 7 hours of recertification credit. Attend to hear practical information about how to ensure regulatory compliance, quality control and train your staff in the most efficient manner from experts practicing in the field of sterile compounding.

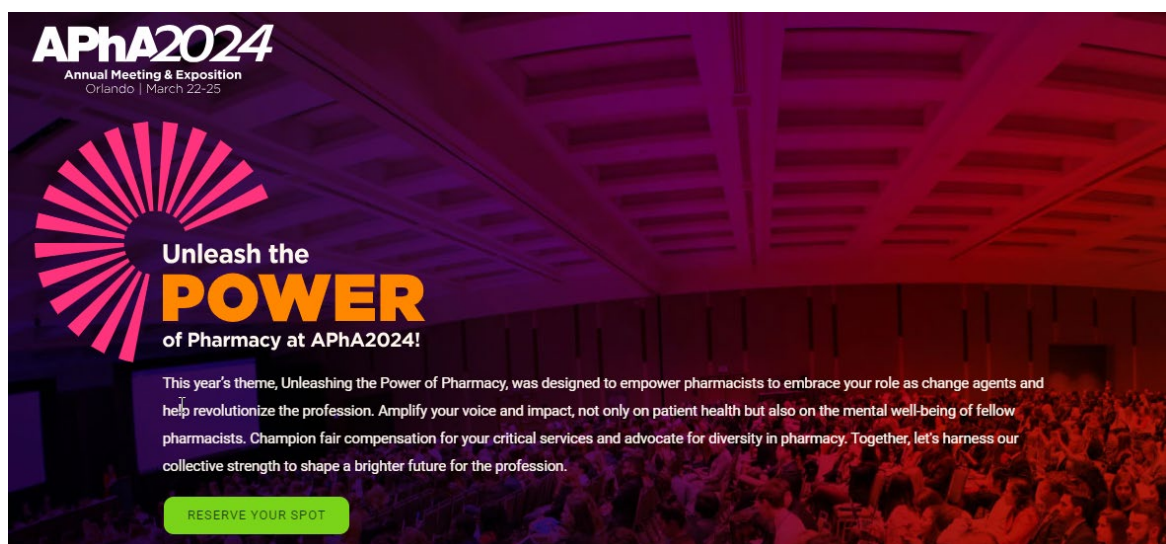

When: Thursday, March 21, 2024, 8:00 am-5:30pm

Where: Orange County Convention Center (also available virtually)

Speakers: Annie Lambert, Lauren Bristow, Sunny Bhakta, Adam Smith, Fred Masoomi, Abby Roth, Christine Hong and Dianeysis Avendano

There are two links available below so you can register for both the APhA Sterile Compounding Recertification Conference and the APhA 2024 Annual Meeting!
